## II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Dear Nancy Williams and Lonnie Griffin and all staff of Guardian & Associates,

This is Cinnamon Pierce and I am formally notifying you that I RESERVE ALL OF MY HUMAN RIGHTS, INDIGENOUS RIGHTS, BIOLOGICAL RIGHTS, CIVIL RIGHTS, CONSTITUTIONAL RIGHTS, and BILL OF RIGHTS AND ALL OF MY INALIENABLE RIGHTS GUARANTEED TO ME AND I WAIVE NONE!

I Cinnamon Pierce am of sound mind and body. I am not schizophrenic. In December 2017, I purchased my own plane ticket and went down South. There I was weaned off all the habit forming and mind altering drugs these psychiatrists in Michigan were prescribing me for their misdiagnosis. Those medications caused hallucinations and altered behavior. Anything that I have said or done under the influence of narcotics and heavy doses of psychotropic medications are no longer affecting me.

Those physicians in Alabama gave me the **relief from drugs that altered my mind and body. Now, I can think very clearly because those heavy drugs and habit forming narcotics are out of my body and I am fully aware and cognizant of my life.** I am capable of making my own decisions. I am an adult. I have PTSD.

Guardianship over me was given to Guardian & Associates (a For Profit Corporation) by Force, Fraud and Intimidation under color of law. Human trafficking disabled adults utilizing the legal system, courts and court officers to perpetuate malicious and false testimony whereby the Wayne County Probate Judges allow such biased, false testimony to stand without question while disregarding a person's right to defend themselves and produce witnesses. I have been treated very wrong by you, the Probate Courts including judges, APS and all who is involved in the trafficking of live living human beings under color of law. The judge allows other agencies to lie commit perjury without question. If the judges were unbiased as well as his Guardian Ad Litem then the judge would address the perjury when he was informed, neither would the judge let those Agencies speak and then have no time for me or my family and witnesses to speak on my behalf. That way the crooked judges can make false records and give you FOR PROFIT CORPORATIONS control of individuals you think are too stupid to stand up for themselves. Therefore, I want to know how much money are you giving back to the judges or are you just a front for them?

You also have received bridge card and cut off my medical services with the Department of Human Services trying to block me into your agenda. No one asked you to interfere in my business associated with my social security number. **Under the Privacy Act you cannot violate my rights. The state court judge cannot violate Federal laws.** Although Wayne County Probate Court judges have, this will be determined in federal court. **Yall all lack jurisdiction! Do not use, obtain anything or use anything using my social security number! You are not to tamper with my mail.**

I have discovered that you have stolen my identity!

Nancy you yourself even told the court that you cannot do anything for me because you did not get my social security funds. Well it just goes to show you are not qualified to be my guardian. If all you do is call other agencies on my behalf, it is not a guardian.

PTSD is no reason that a guardian should have been appointed especially when I have a big huge loving family. **THIS IS WHO IS TAKING CARE OF ME, MY FAMILY ESPECIALLY MY MOTHER!** My own mother is financially taking care of me. When it was cold, I was treated for hypothermia at the hospital since you did not buy me a coat as my guardian. I have called you several times and you did not return my call. I am sick of all of yall trying to hurt me because of your greed. Shame on you!

You called my mother and said I cannot have an independent medical examination without your permission. You told me that I could not attend school without your permission. You said I could not have my own private physician nor could I have my own private therapist. You cut me off totally from my family and said they could not visit or see me in the hospital. **Who do you think you are?** **Guardianship does not give you automatic total domination and control over me.** Plus cash works very well! And my family is paying for it. I also am a federal witness so I called Agent Walters and told him yall were trafficking me for my social security check. I am going to find me a job.

I have all of my rights intact. I formally inform you that I Cinnamon Pierce RESERVE ALL OF MY RIGHTS AND WAIVE NONE. I do not give consent to contract with you or do business with you and your agencies. I do not consent to contract with Wayne County Probate Court. The UCC states that if there is no contract there is no case!

**I have my own private physician and my own private therapist. I will report my income to the Social Security Administration. I am not a dog on a leash.**

When you and the judge and state officers and whoever is involved in this conspiracy of using the legal system to Human Traffic disabled adults, you should know whom you are dealing with. First of all, Homeland Security Human Trafficking Team has investigated my kidnapping and a part of that was investigating me and my family. They always help me when I need them. Second, the Social Security Administration has several years' documentation from my physicians. Third, my years of In-Home counseling has not documented that my family was unsuitable. So with all of this documentation and suddenly, you Judge Braxton, Judge Lawrence C, Adult Protective Services and DMC come up with preposterous false testimony to try to make your case against me.

In case you are anticipating getting a doctor to give me drugs causing hallucinations like Michigan has done in the past, or lock me up or any other scheme, at least now I have homeland Security checking yall out. Those federal agents knows me and my family, you don't!

Oh and the Human Rights Treaty specifically states a disabled person is to go with their family members not a corporation. And you all have the nerve to think people cannot improve. One thing I can say for sure is that down south they don't believe in habit forming psychotropic drugs and they did not misdiagnose me nor dope me up with prescriptions that cause schizophrenia. Not once but twice psychiatric doctors have given me fatal overdoses of psychotropic medications and I could have died if my mother had not intervened. And yes I intend to sue you all including the judge the title has immunity but not the person.

You are hereby notified formally! Oh, by the time you get this notification, there will be a filing in the Federal District Court because I am sick of you all treating me wrong. . I am sure you all will be angry at us because we dare to stand up for our rights because you all willfully deny me my rights using the legal system. I don't know how much you all make off of traumatized rape victims but this legal raping has to STOP NOW!

Sincerely,

*Cinnamon Pierce*

Wayne County Probate Court Ombudsman,

Dear Sir or Madam,

In the Matters of CINNAMON PIERCE, there is much blatant disregard for the laws of our country per court officers in the Wayne County Probate Court. It is unfortunate that this court has judges that violate their own Oaths of Office that is filed with the State of Michigan. There is much discrimination, bias and a conspiracy to trap emotionally impaired live living human beings. The level of cruelty that has been ordered against Cinnamon Pierce is equivalent to Fraud Upon the Court. I am sending this correspondence to request a full investigation and formal nullification of all orders entered. I am requesting that all records be corrected. I am requesting all discrimination and violations of Human Rights, Constitutional Rights, Indigenous Rights, Biological Rights, Constitutional Rights, Bill of Rights, Natural Rights and all Inalienable Rights guaranteed be immediately corrected and so ordered by a reputable Judge that operates within the Oath of Office.

Wayne County Probate Court lacks proper jurisdiction to order a For Profit Corporation as guardian for Cinnamon Pierce. We are asking for all perjured testimony to be addressed by the court. We are requesting a formal investigation as to why Cinnamon's Rights have been denied her. We are requesting all files and documents that contain perjured testimony to be corrected to reflect facts and truth, not this conspiracy to defraud those who are considered disabled. Both Judge David Braxton and Lawrence Paolucci have violated their Oaths of Office, allowed perjured testimony and made rulings in error of law, discrimination, and abuse of power under color of law. There is more but I will let the federal authorities go into much greater detail.

Cinnamon Pierce does not consent to contract with Wayne County Probate Court. As a live living human upon the earth, Cinnamon will live her own life as a capable adult. Cinnamon is not mentally retarded and she can care for herself. Cinnamon will not behave as if she is an incompetent adult. Cinnamon Pierce formally notifies the Wayne County Probate Court that she is invoking the UCC which state that if there is no contract there is no case. Cinnamon Pierce formally states she will not contract with the Wayne County Probate Court and RESERVES ALL her Human rights, Biological Rights, Indigenous Rights, Civil Rights, Bill of Rights, Constitutional Rights, Natural Rights and Inalienable Rights as guaranteed to her and Cinnamon pierce Waives NONE of her rights.

Judge David Braxton has allowed perjured testimony and ordered Guardianship be given to a For Profit Corporation called Guardian and Associates. Nancy Williams lingers in Judge Braxton's courtroom and he asks Nancy Williams to take Guardianship. Judge Braxton knows full well In the Matters of Cinnamon Pierce that Cinnamon has a family that cares for her needs. Cinnamon's family is an expert of Cinnamon not the perjured testimony of APS and DMC who gave Cinnamon a fatal overdose of drugs. Judge Braxton allows Guardian Ad Litem APS to make perjured statements and when he is told that it is

perjury, suddenly Judge Braxton does not have the time to hear the corrections on record, he says he has a lot of other cases. Judge Braxton never questioned Cinnamon Pierce herself to ascertain if she is cognizant. He just goes on and rules with total disregard of Cinnamon, her family, her witnesses. Not only is there an appearance of bias, disregard but there is an appearance of Racketeering Influenced Corrupt Organization (RICO).

Judge Lawrence Poaucci held a hearing in his court that was so prejudicial and biased and discriminatory, when he allowed a court appointed attorney who knew nothing about Cinnamon to represent her without first conferring with Cinnamon. This attorney did not confer with anyone who personally knew Cinnamon. This attorney did not provide effective assistance of counsel as guaranteed by the United States Constitution. Cinnamon was brought to this hearing in chains as if she was a criminal. At this hearing, the so called expert witness (a physician from DMC) testified that Cinnamon had no clue of her illness, yet, Cinnamon stated she has PTSD. DMC is a huge corporation and one of its doctors is the doctor who gave Cinnamon a fatal dose of psychotropic medications October 2017. DMC rushed to make a record to make Cinnamon seem so incapable so that they could cover up their malpractice. Because of the judge and this ineffective attorney, DMC Sinai Grace was allowed to proceed and defame Cinnamon and her character. This attorney appointed by the Wayne County Probate Court again, gives the appearance of Violation of all of Cinnamon's rights while advancing other's agendas giving the appearance of Racketeering Influence Corrupt Organization.

Nancy Williams is not an appropriate Guardian. She has stated on record that she cannot take care of Cinnamon because she has not received Cinnamon's Social Security Check. Cinnamon appeared before the Social Security Administration and made a formal request for investigation. Cinnamon has also requested to receive her own benefits associated with her own personal social security number. Cinnamon will not give permission to anyone to violate her Privacy Act under federal laws. Cinnamon has formally notified the State of Michigan and Social Security Administration of her RESERVING ALL OF HER RIGHTS AND WAIVE NONE. Cinnamon will close her Social Security Account before she allows herself to be robbed under color of law. Nancy Williams attempt with the help of Judge Braxton, for total control and domination of Cinnamon Pierce and her personal private life is terminated, as Cinnamon Pierces refused to contract with Guardian & Associates.

Wayne County Probate Court Ombudsman, clear up all of these corrupt practices, actions that has been perpetuated against me without cause.

Sincerely,

*Cinnamon Pierce*

Dear Sir or Madam,

I Cinnamon Pierce, do hereby inform you of the situations and circumstances. There are several people fighting over my Social Security Income in a fraudulent manner. I am tired of my privacy being invaded.

You assigned me a personal private account 375-23-3040. I am requesting that you honor my privacy and make sure no one without my expressed written consent has access to my personal files. I have RESERVED ALL OF MY HUMAN RIGHTS, BIOLOGICAL RIGHTS, NATURAL RIGHTS, CIVIL RIGHTS, CONSTITUTIONAL RIGHTS, INDIGENOUS RIGHTS, BILL OF RIGHTS AND INDIGENOUS RIGHTS AND I WAIVE NONE.

Under the Uniform Commercial Code, it states that if there is no contract there is no case. I have no contract and do not consent to contract with Guardian & Associates, nor the Wayne County Probate Court.

I do not want nor need a guardian. My mother would be the only acceptable person whom I trust.

Currently, I am living with my mother as of May 1<sup>st</sup>. I have my own private therapist and psychiatrist. I make my own decisions. Having PTSD doesn't mean I am retarded, I am not retarded. I would like you to release my benefits to me. If you feel it is necessary then my mother.

It is too much corruption going on in Wayne County Probate Court. They lie, doctors try to keep you doped up so you cannot try to do good in your life. This Guardian & Associates is a Forprofit Corporation that does not legally list a street address. THAT IS ILLEGAL!.. even a lease has to have the landlords address not a P.O. Box or the lease is illegal...There is something that is not right. The lies and the so called professionals all lie to conspire to rip people like me off.

Please formally investigate the Wayne County Probate Court. I betcha you will find a lot of disabled people have been denied their rights. The Wayne County Probate Court puts lies on record then gives people guardians and I guess those guardians gather everybodys money and all in the conspiracy get paid.

Can you release my check to me. Carelink is responsible for paying Helen Home because the Guardian left me in the hospital discharged for 2 weeks. The the doctors and Carelink placed me in Helen Homes and would not let me go home to my family. Well as an adult that is not all doped up by doctors, I can think more clearly. I am going back to school, I am going to my therapist, I am looking for a job. There at Helen Homes they told my that I could not see my family. Than is when I left. At first, I would go back at 8am and 8pm to get my meds and after taking my meds I went back to my family. I would stay at my mos home and then they threatened to call the police so I left. I am a young adult and I got to try for

myself. I am living at 8027 Marlowe detroit, MI 48228 with my mother. I do not give consent to live among strangers or people who want to keep me away from my family or call the police cause I will not sit in a house all day long doing nothing.

I asked my mom to help me . with this letter .

Sincerely,

*Cinnamon Pierce*
